Does anyone know why it's taking so long to get the copper internet upgraded to fiber? I've spoken to several representatives who give me a time frame of when it's supposed to be available at ...

I have been trying to get my password and this sorry a** company will not send it to me . I'm dropping this company as soon as I can . I'm stopping autopay so you can cut my service off

IN SUM, AT& T DOES NOT MAINTAIN COPPER/FIBER LINES BECAUSE IT'S INCREDIBLY EXPENSIVE YET YOU WON'T ADMIT THIS. IT'S CHEAPER TO JOCKEY TOWERS ...

AT& T Community Forums

Emailed here, social media zero reply or follow thru since last Saturday. They just stopped communication completely. Messaged them several times yesterday on twitter. Nothing!! No ...

How can we set our home phone to silent it for several hours for naps or meetings ?

*I am not an AT& T employee, and the views and opinions expressed on this forum are purely my own. Any product claim, statistic, quote, or other representation about a product or service ...

I have no choice and have to use antiquated ATT DSL. I'm still using their Router/Modem and have two questions... Is there a compatible modem/router that will work better and which one ...

Iphone 11 pro purchase was accepted with overnight shipping then placed in backorder after order processed. Had ETA of arrival now gone anyone else going through this?

* Here are the facts on how we got billed. ATT customer for 6+ years (still confusing on we get charged). Some are 2 weeks and one of other time its 4 weeks etc.. Can dig back all prior years.. ...
