Porsche's recommended maintenance is a lot stricter than what you may be used to. Oil changes are ~300-400, brakes a few grand (and they say to replace rotors with each pad change), ...

I feel like a 718 base with a 6MT and a stage 1 tune is a great way to enter the Porsche market. I really want a 911, but if I can get in a base Cayman for 1/2 the cost and have plenty of ...

911 maintenance cost. On the market for a 2018 991.2 RWD base, ~60k miles ~\$70k, was wondering what's the realistic maintenance cost (assuming everything will be done at the ...

The car is beautiful afterward, especially if I apply paint sealant, but I just hate the handwashing process. I learned a lot about how to take care of it from r/autodetailing, but the consensus there is that I ...

I bought this new and have held onto the disk for decades. Such a great game and a great walk through Porsche history. The 356. Moby Dick. RS 2.7. Porsche sold exclusive rights to EA ...

Porsche service and dealers were all top-notch so all this terrible service treatment is really eye-opening and not expected. I am looking to buy a Taycan but keeping going back and forth ...

This is home for all things Porsche Cayman. Please feel free to share pictures of your own car, modification plans or ask for buying advice. We're happy to help! Owners of the Cayman's open-top ...

Subreddit to share pics and information about all generations of the Porsche Cayenne

Your subreddit for everything Porsche 911.

9PA owner since 2008. A Turbo. Coolant pipes were recalled. Mine burst at 63k. Covered by Porsche. Also had my T-Pipe let go. This is the coolant/heater exchange. Not covered by ...
