Transform your building with our BIPV Facade System. We provide custom, high-performance solar curtain walls to help rapid ROI.

Curtain walls are an excellent way to bring natural light into a room while remaining protected from the elements. All curtain walls manufactured by Solar are constructed out of durable aluminum.

A standard curtain wall offers no return on investment. In contrast, a photovoltaic curtain wall not only insulates the building but also generates power for over 30 years.

Although these high-tech variations of solar curtains sound like a pretty cool idea, they will definitely be more expensive than the reflective foil curtains. You may ...
